ASHI Membership Application – page 4

Membership Categories

Full Membership. Full Members shall be individuals who have shown evidence of continuing active involvement or expertise in a clinical histocompatibility & immunogenetics or research laboratory, or in a laboratory performing work related to this field. An application for Full Membership shall be supported by at least two sponsors who shall be current Full Members of the Society. Full Members have voting privileges for the election of officers and are eligible to serve as officers or committee members.

Technologist Membership. Technologist Members shall be non-doctoral and non-supervisory individuals in the field of histocompatibility & immunogenetics who are not prior Full Members. An application for Technologist Membership shall be supported by at least one sponsor who shall be a current Full Member of the Society. Individuals are eligible to maintain this membership for a maximum of five (5) years. A Technologist Member shall be eligible to apply for Full Membership at any time he/she satisfies the qualifications for Full Membership. Technologist Members are not eligible to vote, hold office or be a committee chair or vice-chair but may otherwise serve on committees.

Student/Fellow Membership. Student/Fellow Members shall be individuals enrolled in a predoctoral or postdoctoral training program relevant to histocompatibility & immunogenetics who are not prior Full Members. An application for Student/Fellow Membership shall be supported by at least one sponsor who shall be a current Full Member of the Society. Individuals are eligible to maintain this membership for the duration of their status as a student/fellow with written documentation from their advisor. A Student/Fellow Member shall be eligible to apply for Full Membership at any time he/she satisfies the qualifications for Full Membership. Student/Fellow Members are not eligible to vote, hold office or be a committee chair or vice-chair but may otherwise serve on committees.

International Associate Membership. International Associate Members shall be individuals involved in histocompatibility & immunogenetics not residing or working in North America or U.S. Territories and who are not prior Full Members. An application for International Associate Membership shall be supported by at least one sponsor who shall be a current Full Member of the Society. An International Associate Member shall be eligible to apply for Full Membership at any time he/she satisfies the qualifications for Full Membership. International Members are not eligible to vote, hold office or serve on committees.

Affiliate Membership. Affiliate Members shall be vendors, consultants and providers of other goods and services to the field of histocompatibility & Immunogenetics as well as individuals involved in marketing businesses, organizations or associations (other than ASHI) related to histocompatibility & immunogenetics. An application for Affiliate Membership shall be supported by at least one sponsor who shall be a current Full Member of the Society. An Affiliate Member shall be eligible to apply for Full Membership at any time he/she satisfies the qualifications for Full Membership. Affiliate Members are not eligible to vote, hold office or be a committee chair or vice-chair but may otherwise serve on committees.

Emeritus Membership. Emeritus Members shall be individuals who have worked in Histocompatibility & immunogenetics and have contributed to ASHI. They must be retired from all employment and have been a Full Member of ASHI for more than 15 years. Emeritus Members are not eligible to vote, hold office or be a committee chair or vice-chair, but may otherwise serve on committees.

Institutional Membership. Institutional members shall be laboratories, hospitals, universities and other institutions having interest in the fields of histocompatibility and/or immunogenetics. Institutional Members are not eligible to vote, hold office or serve on committees.
